He also received his Bachelor of Science in Business Administration at Dongguk University and Bachelor of Science in Biology at Iowa State University. He served in the U.S. Army from 2001 through 2003 as a Sergeant in a Military Police Battalion.

Real Life Dental was founded by Dr. Damon Thompson, a graduate of Virginia Commonwealth University's Medical College of Virginia dental school. Upon graduating magna cum laude from Virginia Commonwealth, Dr. Thompson served in the Navy for two years before returning to Blacksburg and serving patients in his hometown.
